Item#	Description	PESOS COL.	Picture	Lamp Base
SP90	Model: LED Street Light - SP90 Power Consumption: 28W(For LED consumption only, total power consumption 36W) Emission Color: Pure White or Warm White Working Voltage: 85-264VAC or 12/ 24VDC Luminous Flux: 2,100lm (equal to 75w HPS Lamp on 7m height pole or 150w HPS lamp on 6m Height Pole) Special Features: Designed to replace the traditional E40 HPS lamp in the Cobra-head directly	\$680.000		E40
LU1	Model: LED Street Light – LU1 Power Consumption: 28W(For LED consumption only, total power consumption 36W) Emission Color: Pure White or Warm White Working Voltage: 85-264VAC or 12/ 24VDC Luminous Flux: 2,100lm (equal to 75w HPS Lamp on 7m height pole or 150w HPS lamp on 6m Height Pole) Special Features: Integrated LED Street Light with Heater and Lamp Fixture all-in-one, IP65.	\$1.680.000		
LU2	Model: LED Street Light - LU2 Power Consumption: 56W(For LED consumption only, total power consumption 75W) Emission Color: Pure White or Warm White Working Voltage: 85-264VAC or 12/ 24VDC Luminous Flux: 4,854lm (replace 150w or 250W HPS Lamp) Certificates: CE, (UL Pending) Special Features: Integrated LED Street Light with Heater and Lamp Fixture all-in-one, IP65.	\$1.640.000		
LU4	Model: LED Street Light - LU4 Power Consumption: 112W(For LED consumption only, total power consumption 150W) Emission Color: Pure White or Warm White Working Voltage: 85-264VAC or 12/ 24VDC Luminous Flux: 9,707lm (can replace the 250w HPS Lamp) Certificates: CE, (UL Pending) Special Features: Integrated LED Street Light with Heater and Lamp Fixture all-in-one, IP65.	\$2.320.000		
LU6	Model: LED Street Light - LU6 Power Consumption: 28W(For LED consumption only, total power consumption 36W) Emission Color: Pure White or Warm White Working Voltage: 85-264VAC or 12/ 24VDC Luminous Flux: 12,600lm (can replace the 400w HPS Lamp) Special Features: Integrated LED Street Light with Heater and Lamp Fixture all-in-one, IP65.	\$3.480.000		
LU8	Model: LED Street Light - LU8 Power Consumption: 224W(For LED consumption only, total power consumption 300W) Working Voltage: 100-240VAC Luminous Flux: 19,410lm Special Features: Integrated LED Street Light with Heater and Lamp Fixture all-in-one, IP65.	\$4.780.000
